**Drainage works
A3052 Harepath Hill**

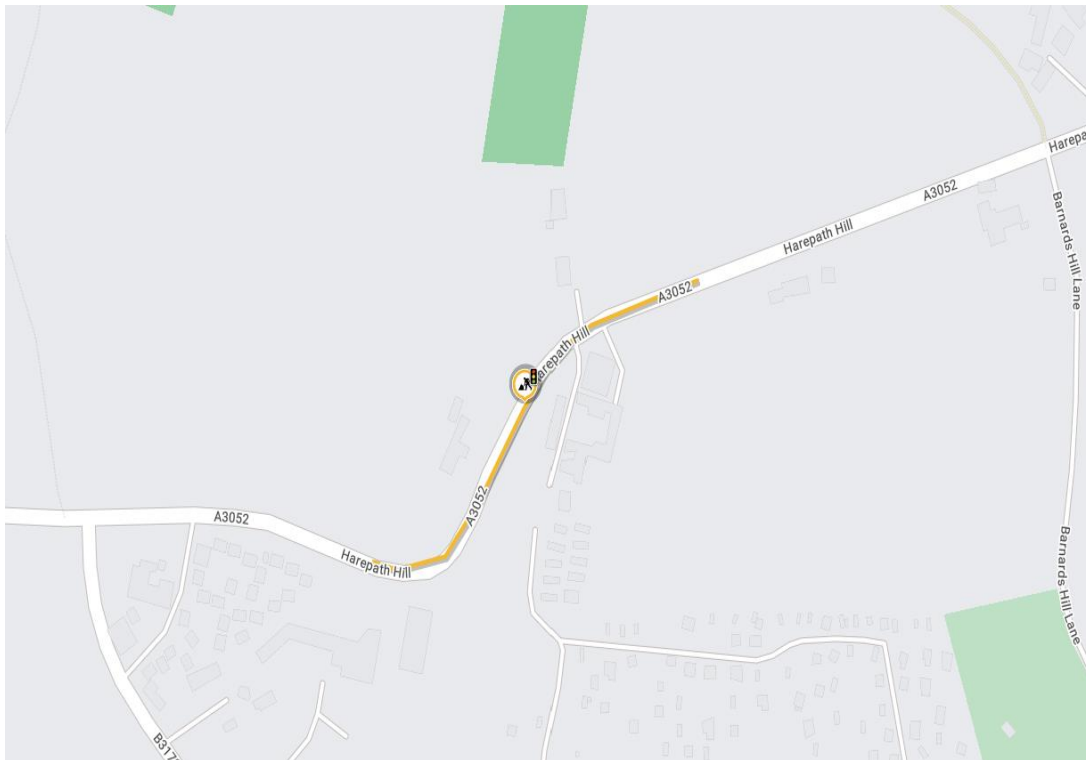

Section of the road between B3172 Seaton Down Hill junction and Barnards Hill Lane junction

Wednesday 11th February 2026

Dear Sir / Madam,

Devon County Council will be carrying out drainage works from Monday 9th March – Friday 20th March 2026 (weekdays only). We will be working on the A3052 Harepath Hill, on a section of the road between the junction with the B3172 Seaton Down Hill and the junction with Barnards Hill Lane. We will be installing a new Surface Water drainage.

Please see our work area in **orange** on the map below.

Our working hours are 08:00–16:30. Access is maintained by a two-way traffic-light system, and delays should be expected. Outside of working hours, the light system will remain in place for safety reasons because of ongoing excavations.

Any changes to the start date or duration will be shown on advisory signs on site. We will do our best to complete the work quickly and minimise disruption. Your co-operation and understanding are greatly appreciated.

Information on current and planned roadworks in your area can be found on the Causeway one.network, see: <https://one.network/harepathhill>;

Should you have any questions please contact us and we will do our best to try to help.

Kind regards,

Julia
Highway Liaison Officer
Devon County Council
